

So good to hear from you. We had a really lovely time in Sri Lanka. We did not contact your friend, as much to our surprise, we were content to lay on the beach each day, and jump the waves in the sea. We had two walks one to Bentota and the market, and the other one on our last morning we left the hotel at 6 am and walked along the beach to the Fishing Harbour at Beruwala. What a surprise that was! We walked through the quiet Moslem village, and turned a corner into the most amazing place. It was huge, with many boats, large Tuna, Baracuda, Shark and Rays to name a few just lying in piles on the floor. The noise and activity of unloading, buying and selling, was incredible! Although it was a long hot walk it was well worth it, and we caught a Tuk Tuk back just in time for a late breakfast. It would mean an early start but it would be good to include it on a future tour itinerary. I'm sure people would find it special. We really enjoyed our holiday, but are now back at work. It snowed here this week, although it didn't stay on the ground for long. I have been gardening and looking after my granddaughter who is almost 18 months old. Thank you for making our time in Sri Lanka so special, I have lovely video of the elephants in the river and my youngest daughter and boyfriend very much enjoyed seeing our tour. The meal on the beach was also very memorable.
